KIMS welcomes all qualified individuals regardless of sex, race, color, creed, disability, national or ethnic origin.

Children are evaluated on the basis of readiness for school and potential for success in a Montessori classroom. It is equally important to determine whether the parents' educational philosophy is compatible with that of KIMS. The admissions process consists of a parent observation/interview visit, submission of an application form and non-refundable application fee. Older children may be asked to spend time in the classroom prior to acceptance for admission.
